Ontario Focused Flow-Through Share Resource Expenses (Individuals)

Complete this form if you are claiming an Ontario focused flow-through share tax credit on your Form ON479, Ontario Credits. You must be a resident of Ontario on the last day of the tax year to claim this credit.

Any credit claimed in a tax year will reduce the balance of your Cumulative Canadian Exploration Expense (CCEE) pool in the year following the credit claim. If the pool balance is negative after this deduction, the negative amount must be reported as income on line 13000 of your return.

If you are filing a paper return, **attach** a copy of this form to your return as well as the credit certification documents (Form T101, Statement of Resource Expenses, or Form T5013, Statement of Partnership Income) that you received from a mining exploration corporation that incurred qualifying expenses in Ontario.
